

- Stay cool with comfort and style
- Selection - from economy to premium and smoke to darkest, Limo-Tint by Trimbrite offers window film for every taste and budget
- Energy savings - insulating properties reduce air conditioning use in the summer and heat loss in winter

- Variety of applications for your car, truck, marine, RV, business or home
- Sizes available to fit most cars and trucks
- Extra durable with Scratch Fighter protection

THREE EASY STEPS TO SELECTING THE RIGHT WINDOW FILM:

1. SELECT LIGHT TRANSMISSION

- Measures amount of light that passes through the window film. The higher the percentage, the lighter the film and the better the visibility inside and out. Lower percentages are for darker films and more privacy.
- Before applying any window film to a vehicle, check local ordinances.
 - SMOKE: 35% - Maximum Light Transmittance
 - DARK: 25% - For that "From the Factory" Look
 - DARKER: 20% - The Original Limo-Tint; Our Most Popular Shade
 - DARKEST: 5% - Ultra Private; Great for Show Vehicles

2. DETERMINE PRODUCT BENEFITS

	Scratch Fighter	Economy
UV PROTECTION	X	X
IMPROVES APPEARANCE	X	X
SCRATCH RESISTANT	X	

3. CHOOSE A SIZE

HEIGHT	LENGTH	
20"	5'	10'
24"	12'	
30"	5'	

- 20" - Most economical, low waste
- 24" - Ideal for trucks
- 30" - Ideal for larger rear window applications

LIMO TINT®

ECONOMY

PART	SIZE	COLOR / LIGHT TRANSMISSION
T8554	20" x 5'	Smoke / 35%
