

Trimbrite® History

Trimbrite® and Prostripe®... preferred name in Automotive Accessories

For more than 40 years Trimbrite® and Prostripe® brand pinstripe, graphics, utility products and automotive accessories have been preferred by the do it yourself customer. These highly recognized names in many industries which cater to D-I-Y consumers provide years of consistent growth and sales opportunities for customers. The trend continues.

Trimbrite® and Prostripe® brands offer a variety of self adhesive graphic products sold in many markets across the world. Sharpline provides our customers with the sales aides and needs that help complete the sale to the consumer.

Since 1976, Sharpline has been a leading manufacturer of pressure sensitive vinyl graphic appearance products to OEM automotive, recreational and marine industries and the professional aftermarket. Sharpline's purchase of the Trimbrite® and Prostripe® business in 2003 infuses top quality manufacturing of high performing products that gain customer loyalty and repeat business.

Sharpline is dedicated to helping your business grow. Call on us whenever you need graphic appearance products and accessories to add value to your sales.

Our products can be viewed online. Download our Sharpline, Trimbrite or Prostripe catalogs or learn more about our products at:
